MORDAUNT-SHORT

The perfect fusion of form and function

Mordaunt-Short's passion for innovative design and advanced voicing techniques means nothing takes the shine off Alumni's performance.

Alumni's small but perfectly formed cabinets blend seamlessly into any listening environment and come in two striking finishes – piano black and white high gloss. Alumni is designed so that each speaker integrates with the next to provide an expansive and truly engaging soundstage. Indeed, Alumni thrives on Mordaunt-Short's stereo speaker pedigree and is equally at home as a 2.1 set-up*. Alumni is an accessible way into high quality hi-fi and home cinema sound reproduction at an incredibly affordable price.

* 2.1 set-up comprises (2) Alumni satellites and (1) Alumni 9 subwoofer.

Finishes

Piano black

White high gloss

Shown with supplied grilles attached/removed

Accessories

Alumni speakers have the option of dedicated speaker stands with integrated cable management which cleverly channel wires away. The Alumni 2 is also Omnimount Ready™ and prepared to industry standards with pre-fitted mountings so they can be fitted neatly to walls.

Alumni 2 satellites

Alumni's incredible little satellites use Mordaunt-Short's latest generation 89mm CPC™ mid/bass driver for superior sound reproduction and extremely low distortion. Combined with our renowned 25mm aluminium dome tweeter for razor sharp resolution, you're sure of awesome performance. The curved shape of the cabinet discourages the build up of standing waves for a cleaner and more realistic all round sound, while its simple connection plate features easy fit terminals.

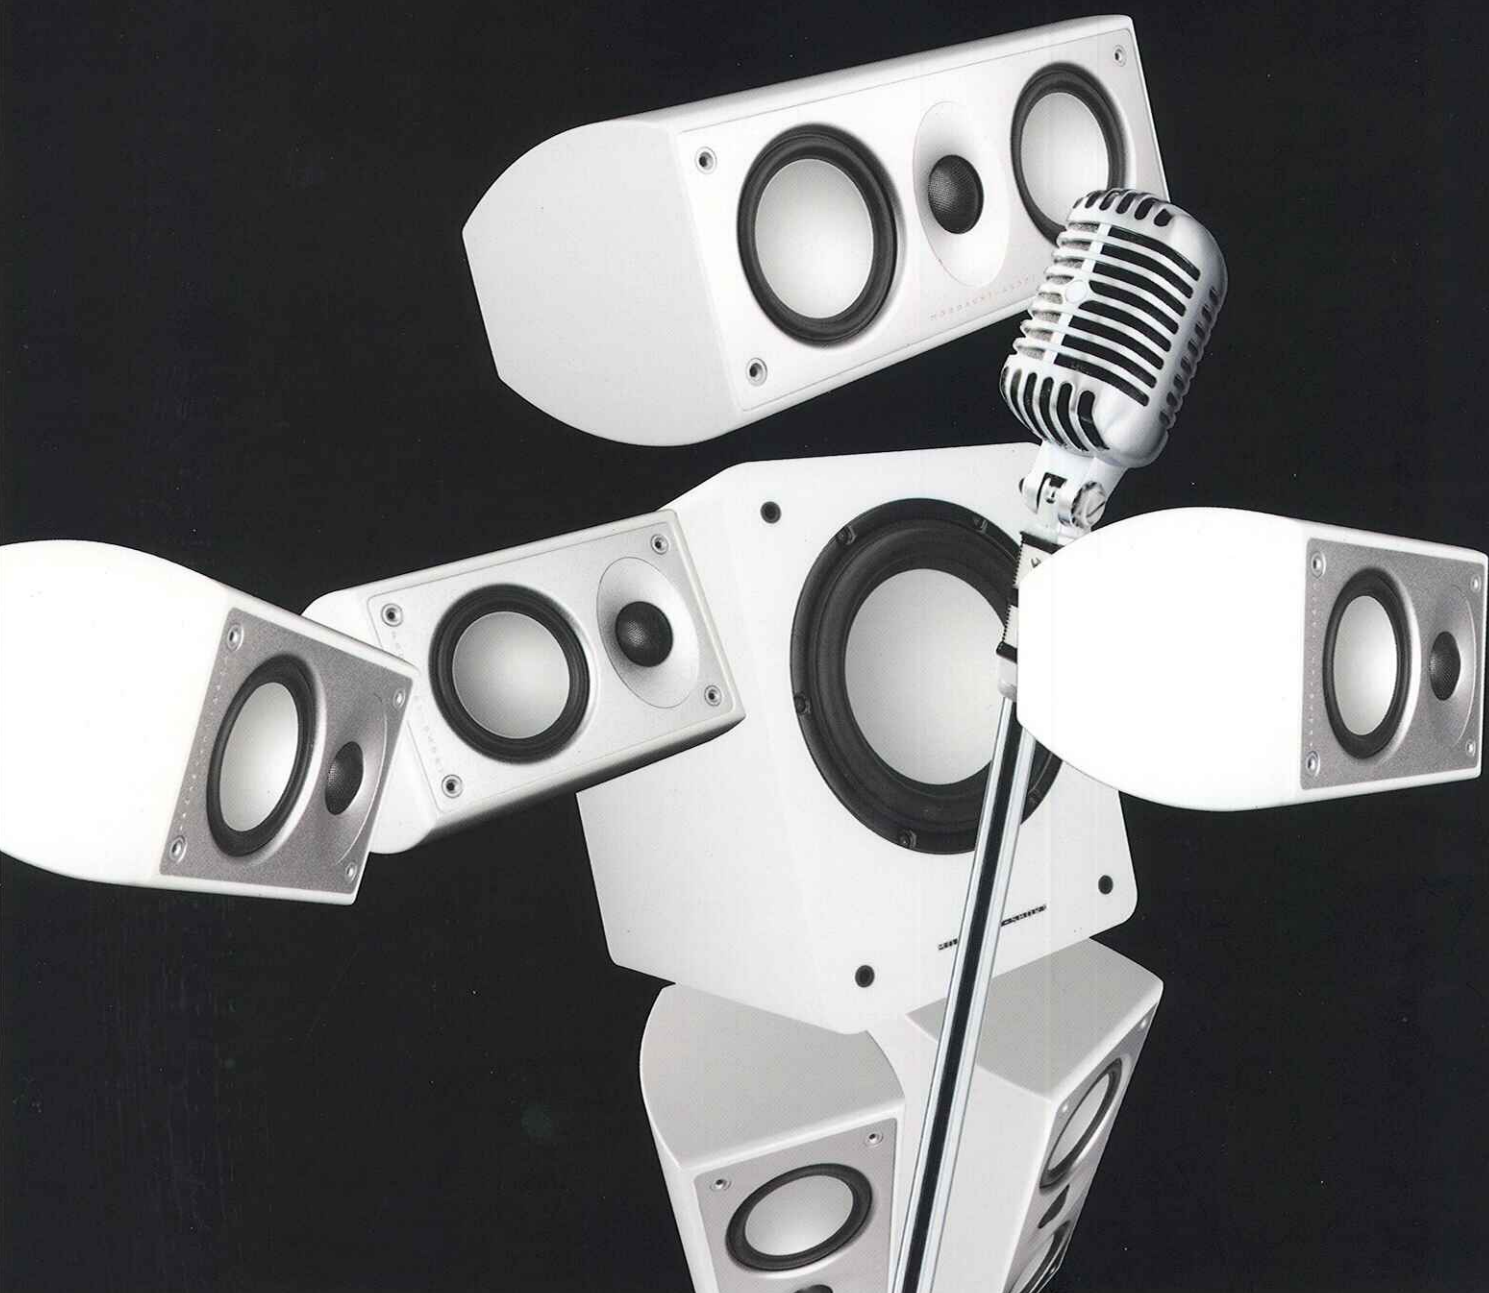

Alumni 2 specifications

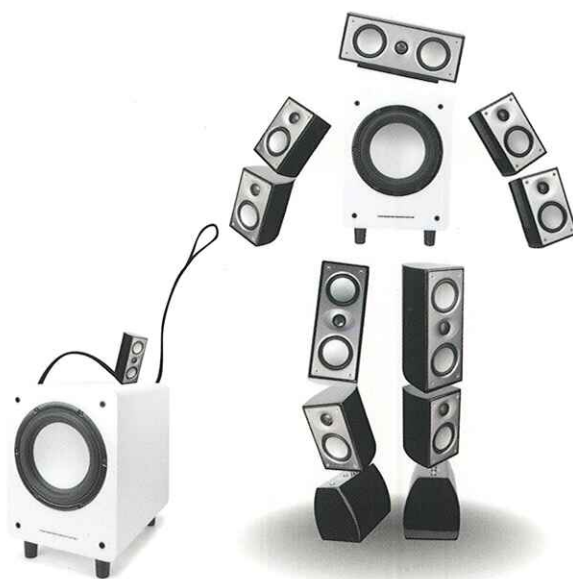

Recommended amplifier power	15-80 Watts
Drivers	(1) 89mm/3.5" aluminium CPC mid/bass (1) 25mm/1" aluminium dome tweeter
Impedance (ohms)	4-8
Frequency response	100Hz - 20kHz
Dimensions (mm/inches) (hxxwxd)	176 x 108 x 145 6.9 x 4.2 x 5.7

Introducing Alumni

Introducing Alumni, the little home cinema speaker package that thinks big! Belying incredibly compact dimensions, Alumni is the latest in a long line of elegant Mordaunt-Short surround sound speaker systems. These stunning high-gloss designs utilise the company's forty year research and development expertise and truly make your movies and music come alive.

The little speaker with big ideas

Alumni 3 LCR

Encapsulating the needs of style conscious audiophiles is Alumni's dedicated home cinema LCR. Combining the left, centre and right (LCR) channels, this ultra low-profile design sits tightly against walls underneath your latest flat screen. Alumni's LCR adds a new dimension to your video and music collection and offers a huge advance over integrated flat screen speakers.

Alumni 3 LCR specifications

Recommended amplifier power	15-80 Watts
Drivers	(4) 89mm/3.5" aluminium CPC mid/bass (3) 25mm/1" aluminium dome tweeter
Impedance (ohms)	4-8
Frequency response	100Hz - 20kHz
Dimensions (mm/inches) (hxwxd)	800 x 128 x 110 31.5 x 5.0 x 4.3

Alumni 5 centre

Mordaunt-Short is an advocate of the need for a dedicated centre speaker design and Alumni 5 is perfectly voiced for the demands of dialogue in films which require crisp clean treble and high levels of detail for precise reproduction. But the centre is also adept at recreating a broad and openly natural soundstage when playing music in surround mode. It is also magnetically shielded and can be placed close to screens without interference and comes with an infinitely adjustable plinth.

Alumni 5 specifications

Recommended amplifier power	15-80 Watts
Drivers	(2) 89mm/3.5" aluminium CPC mid/bass (1) 25mm/1" aluminium dome tweeter
Impedance (ohms)	4-8
Frequency response	100Hz - 20kHz
Dimensions (mm/inches) (hxwxd)	108 x 274 x 145 4.2 x 10.7 x 5.7

Alumni 9 subwoofer

If you want substantial bass in your movies and music, then the remarkably compact Alumni 9 subwoofer provides all the bottom end you could possibly need. Using a totally new 203mm ultra long throw woofer, the sub outputs a whopping 120W of power for the cleanest response and reproduction of the lowest frequencies. Action scenes have never sounded so good! Low and high level inputs, phase control and volume/frequency filter complete this impressive sub.

Alumni 9 specifications

Built in amplifier	120 Watts
Drivers	203mm/8" Long throw CPC woofer
Frequency response	35Hz - 200Hz
Dimensions (mm/inches) (hxwxd)	376 x 260 x 354 14.8 x 10.2 x 13.9

Alumni brings your home theatre to life!

Alumni is designed so that each speaker integrates perfectly with the next to provide an expansive and inspiring sound.

The satellites, centre and subwoofer all work in harmony with each other to produce an awesome sonic experience.

Alumni is available à la carte to cater for every type of room and configuration – whether it be standard 5.1, LCR or full 7.2 set-up. An extra centre channel can be employed at the rear for movie dialogue. Or, for the bass-hungry a second subwoofer can be specified.

Mordaunt-Short's policy is one of continuous improvement. Design and specifications are therefore subject to change without prior notice.
